THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

November 13, 2020

To all sending districts;

Below is the notification that went home today, November 13, 2020 to all of our families. Our revised emergency preparedness plan has been revised and sent to our local county office and will be made available on our website at [www.gramonfamily.org](http://www.gramonfamily.org).

The Gramon Family of Schools (Gramon School, New Beginnings and Glenview Academy) has always and will continue to make safety a priority for the students and staff in the program. There have been a handful of Covid-19 cases at the schools recently that have forced us to close intermittently for contact tracing and place classrooms in quarantine. Furthermore, the additional increase in numbers of cases across the county and state, paired with the potential for family gatherings and travel this holiday season, have prompted us to make the decision to move to remote instruction for all students from November 30 through January 18, 2021.

While we understand that the remote platform is not ideal for our population, we strongly feel that this approach is in the best interest of our students and faculty during this time.

We look forward to resuming our hybrid schedule of instruction on January 19, 2021 and will then evaluate how best to move forward. A revised detailed schedule will be sent to all of our sending districts in the upcoming days ahead so that transportation can be set up accordingly.

Warmest regards for a safe and healthy Thanksgiving and holiday season!

Candace Galvez  
Executive Director
