THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

August 12, 2020

To all sending districts,

We would like to first thank all of our sending districts for their support during this time. The Gramon Family of Schools is committed to providing a plan that emphasizes safety while understanding the urgency and the need for our students to return to the classroom environment. Due to the overwhelming number of families who have stated in the survey that they would like their son or daughter to return on-campus, we have exceeded the building capacity put forth by the CDC guidelines. Therefore, we have submitted our plan for DOE approval that will begin with a hybrid model in September to help keep our numbers in the building safe and create the necessary social distancing space for our students and staff. We thank you for your understanding and want to emphasize that our goal is to open our programs with great care and safety so that they remain open for the entirety of the school year. Below is a description and outline of our board approved, hybrid model for the Gramon Family of Schools re-entry plan this September:

Students will follow an alternating A/B hybrid schedule beginning September 9, 2020. Please refer to the 2020-2021 school calendar for school closings and hours.

Monday	Tuesday	Wednesday	Thursday	Friday
Group A	Group A	Group A	Group B	Group B
Group A	Group A	Group B	Group B	Group B
Group A	Group A	Group A	Group B	Group B
Group A	Group A	Group B	Group B	Group B

Green = On-site
 Yellow = On-site

When students are not on-site, they will receive remote instruction following the school calendar.

Each sending district will receive a calendar reflecting the group your student is assigned to so that you will be able to set up transportation. If you have any additional questions, please contact 973-808-1998 for Gramon School or Glenview Academy or 973-882-8822 for New Beginnings.

Thank you.
