

# Important School District Message

## March 15 Update

Dear CWC School Community,

I hope that you and your families are well. Thank you very much for your continued understanding in this difficult time. Below are a few reminders and updates regarding COVID - 2019.

Sincerely,

James Heinegg

### 1. School Closing Reminder

Beginning tomorrow, Monday March 16, 2020, schools will be closed to students as we implement our Remote Learning Plan. It is highly likely that the closure will extend further into the spring; more details will follow in the coming days.

### 2. Resources on Remote Learning

Elementary. [This page](#) on our web site contains resources for Elementary families, including Related Arts (Physical Education, Art, Music, etc.), Seesaw guidance for parents, etc. We will update as necessary throughout the Remote Learning period.

Middle School. GCMS families should check [this page](#) on the web site for guidelines for our students in grades 6 - 8.

High School. JCHS families should review [this letter](#) which outlines Remote Learning for our students in grades 9 - 12.

### 3. General Resources

Remember to check the [district web page](#) for general resources about COVID - 2019. The page is updated periodically with articles about how parents can help children deal with emotional aspects of our situation, information about social distancing, factual guidance about COVID - 2019, etc.

### 4. Free/Reduced Lunch

Families eligible for Free/Reduced Lunch may pick up lunches at Harrison School between 11am and noon.

### 5. Athletic teams

**During Remote Learning, all athletic team activities--practices, scrimmages, meetings, etc.--are suspended. While players are encouraged to stay in shape as best they can at this time, they should follow the practice of social distancing by not meeting in large groups or as an entire team.**

## **6. Questions/Concerns**

**Although the school buildings will be closed to students, do not hesitate to reach out via email with any questions or concerns that you may have. We will do our best to support our students and families in every way possible.**
