COVID-19 Update...

Dear WMTPS Community,

Today our staff and students finished their preparations for our first-ever distance learning initiative, which will last for a period of not less than two weeks. Schools are scheduled to re-open on Monday, March 30. If you have questions about one of your child's assignments, teachers will always be your first point of contact. Building principals and subject area supervisors are available to support you as well during these next few weeks.

As mentioned in previous messages, breakfast (8:00am – 9:00am) and lunch (12:00pm – 1:00pm) will be made available for pickup at WMHS using the side entrance, nearest the gymnasium. To limit travel, you may pick up both meals at the same time. Additional information will be shared regularly during the next few weeks. Lastly, all field trips through April 15 are canceled.

Thank you again for your support and commitment to our school community during these trying times.

Best,

Alex Anemone, Ed.D., Superintendent of Schools
