THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

Dear Parents and Guardians,

Due to the recent announcement by the governor allowing outdoor graduations after July 6, 2020, we have modified our initial plans for our graduation ceremony. The event will be held on Thursday, July 23rd at 7:00 pm with a rain date of Tuesday, July 28th.

We are carefully planning the details to remain in accordance with the regulations set forth by our governor, recommendations made by the CDC, and the policies of Gramon Family of Schools. Our field will be set up to promote social distancing, with seating spaced appropriately. We will also be limiting the attendees to immediate family only with a maximum of four guests for each graduate. However, we will be streaming the event live so that extended family of our graduates as well as our staff can view it remotely. Masks will be required to be worn by all attendees and GFS will also provide additional ones for those who do not own them. Caps and gowns will be sent home ahead of time to eliminate contact and ensure that graduates can come to the ceremony prepared. Feel free to decorate the caps to show your GFS spirit and pride in your accomplishment!

We are excited to celebrate our graduates and look forward to your cooperation and participation in this exciting event. We will provide more details as the event nears.

Thank you,
