THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

September 5, 2022

Dear Parents/Guardians,

Welcome back to the 2022-2023 school year. I hope this letter finds you all in good health!

As we return to school, I am writing to share updates to our COVID-19 protocols that will begin on September 6, 2022.

1. Students who test positive for COVID-19 will continue to be required to quarantine for five days from the onset of symptoms and wear a well-fitting mask at school until day 10. If your child is unable to wear a well-fitting mask, your child must continue to quarantine for the remaining five days.
2. Due to the CDC updates on COVID-19, Governor Murphy announced changes for schools that include:
    a. No contact tracing
    b. No test to stay
    c. No social distancing

The health and well-being of our staff and students remain our priority. Therefore, the Gramon Family of Schools will continue to offer:

1. Courtesy testing of symptomatic students (while testing supplies last and if there is written permission on file by the parent/guardian).
2. At nurses' discretion, we will provide testing for students and staff if a small outbreak occurs.
3. Notify parents/guardians if there is a positive Covid-19 case in your child's classroom.
4. We will continue to follow our remote learning plans should a small outbreak occur and a classroom must be quarantined.
5. We will provide weekly updates to our Covid-19 dashboard. The dashboard includes information on positive Covid-19 cases within the Gramon Family of Schools. The dashboard is updated every Friday and can be found on the home page at www.gramonfamily.org.

We appreciate your cooperation and support in helping us continue to operate our schools safely. Please get in touch with your school administrator or health office if you have additional questions.

Warm regards,
Candace Galvez
Executive Director
