December 28, 2021

Dear Parents/Guardians,

I hope this letter finds you all in good health!

Due to a continued increase in positive Covid-19 cases in Essex County and throughout New Jersey, and the potential for quarantine concerns in January, the Gramon Family of Schools will continue with our approved remote instruction plan for students through January 17, 2022 and a return to on-site instruction on January 18, 2022.

The delay in on-site instruction to January 18, 2022, was the safest course of action to take in order to keep our school community safe and healthy.

Please continue to maintain your efforts to protect your health and those around you by following the federal Centers for Disease Control and Prevention (CDC) guidelines for COVID-19.

We look forward to resuming our in-person schedule of instruction on January 18, 2022.

Warmest regards for a safe, healthy and Happy New Year!

Candace Galvez
Executive Director
