### **Health Office Guidelines Acknowledgement**

Please keep these guidelines in a safe place and refer to them if your child becomes ill.

Keep your child home to rest and/or seek medical attention if he/she has:

- Temperature of 100.4°F in the last 24 hours (without fever reducing medication)
- Vomiting or Diarrhea in the last 24 hours
- Runny nose that is excessive and/or not clear in color
- Persistent cough that could be disruptive to class
- Redness and/or discharge from the eyes, crusting in lashes
- Contagious skin rashes/Impetigo or uncovered draining wounds
- Strep throat & Pink eye (return to school 24 hours after antibiotic treatment begins)
- Contagious disease such as Influenza, Chicken Pox, Mononucleosis, Fifth Disease (requires medical clearance with return to school date from physician)
- Emergency room visit (can return to school with a copy of discharge papers)
- Covid-19 Symptoms- test your child. If positive, keep home and notify the school

If your child develops Covid-19 symptoms during the school day, he/she will be isolated, you will have the option to participate in test to stay as long as testing supplies last. If negative, your child can remain in school. If positive, you will be called to pick up your child to isolate per current CDC recommendations.

The health and safety of our students remains our priority. We appreciate your cooperation with the health guidelines listed.

If you have any questions, please feel free to contact your school nurse.
