February 19, 2021

Dear Gramon Family of Schools Community,

I hope that you all continue to be safe and healthy during these difficult times. I am pleased to announce that the Gramon Family of Schools will be adding a third day to our on-site instruction schedule beginning March 10, 2021.

All classes will continue to follow their cohort schedule and beginning on Wednesday, March 10, 2021, both cohorts will be on-site allowing for all students of the Gramon Family of Schools to have on-site instruction three days a week.

We will continue with our hybrid model at this time and carefully monitor the health crisis to determine when it is safe to progress to the next phase of our goal to provide on-site instruction five days a week. We remain committed to providing a plan that emphasizes safety while understanding the urgency and the need for our students to return to the classroom environment.

All our families, transportation companies and sending districts will receive a revised calendar reflecting these changes. If you have any additional questions, please contact 973-808-1998 for Gramon School/Glenview Academy or 973-882-8822 for New Beginnings.

Thank you.
Candace Galvez
