Dear GFS staff member,

As we all work to manage our day-to-day lives during these trying times, I know that many of you also have concerns about your paycheck and what the future may hold.

At this time, please know that our plan is to continue to issue bi-monthly paychecks. We are listening carefully to the guidance provided by the NJ and federal authorities about the importance of educating all children, especially those we serve, and therefore we are hopeful that there will be no changes regarding your receiving your paycheck.

Another concern has been whether staff members should apply for unemployment benefits. Because you are all still employed by the Gramon Family of Schools, you are not eligible for unemployment benefits.

As for the future, it would be wonderful if we had crystal balls to show us what will happen tomorrow, next week, or next month! Since none of us has such a wonderful thing, we will have to be patient, do all that we can to serve our students, and stay in touch to keep one another informed and as positive as possible.

Please don't hesitate to reach out to me if you have any questions or concerns.

Sincerely,

Candace Galvez
