THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

Dear Parents and Guardians,

The Gramon Family of Schools (GFS) wishes everyone good health during these unprecedented times. As we approach the summer months, we understand that all of our families have questions regarding the future of learning and particularly the status of our Extended School Year (ESY) program. GFS will continue to take guidance from the Governor's office as to whether or not school will continue remotely or in person. The schools are preparing for both scenarios and our ESY program will run as scheduled from July 6th through August 14th. In order to ensure consistency for our students, our ESY program classrooms and therapists will for the most part, remain the same. Some student placements may require a change, which will be communicated to families on a case by case basis. As always, we appreciate your patience and understanding, especially during this time of uncertainty. Regardless of the circumstances going forward, please know that the Gramon Family will continue to support our students and families and provide the very best learning opportunities.

Thank you,

Michael Farrelly
