THE GRAMON SCHOOL • GLENVIEW ACADEMY • NEW BEGINNINGS

July 24, 2020

Dear Parents/Guardians and staff,

I hope this letter finds you all in good health.

Thank you for taking the time to complete the survey. The information provided from our staff and families helped guide us in determining our decision for returning to on-site instruction for 5 days. Governor Murphy has approved the opening of schools for September following “The Road Back Restart and Recovery Plan for Education.” This is encouraging news that our state is beginning to get back to normal. We have reviewed the guidance set forth in the Recovery Plan, as well as the safety guidelines provided by the CDC and the state.

The Gramon Family of Schools administration are confident that we will be able to reorganize classrooms in order to meet the social distancing criteria as well as deliver an all virtual option. As we continue to move forward with our fall plans, please be advised that classroom rosters for September may differ from your child’s current extended school year placement. As we work through these areas, we will notify you with as much advanced notice as possible. Your continued participation in upcoming surveys will assist us in making these plans.

School will begin with half day sessions beginning at 8:45am and concluding at 12:45pm. We will follow this schedule from September 9, 2020 to September 25, 2020 and begin full day instruction on September 29, 2020. A revised school calendar will be provided. These dates are subject to adjustments as changes may occur based on health trends and safety guidelines.

A full detailed plan will be shared and opportunities for question and answer sessions will be offered. I will continue to communicate with the school community regarding any updates received through our alert system and you can always reach out to your child’s school Principal or classroom teachers. Thank you again for your cooperation and ongoing partnership.

Best regards,

Candace Galvez
Executive Director
